The information on this website is presented by Opti-Call for the purpose of disseminating information to the public.

Opti-Call monitors the quality of the information available on this website and updates the information regularly. However, Opti-Call does not make any representation or warranty about the accuracy, reliability, currency or completeness of any material contained on this website or on any linked site.

While Opti-Call makes every effort to ensure that the material on this website is accurate and up-to-date, you should exercise your own independent skill and judgment before you rely on it. This website is not a substitute for independent professional advice and users should obtain any appropriate professional advice relevant to their particular circumstances.

Links to other websites are inserted for convenience and do not constitute endorsement of material at those sites, or any associated organisation, product or service.

In some cases the material on this website may incorporate or summarise views, standards or recommendations of third parties or comprise material contributed by third parties (*'third party material'*). Such third party material is assembled in good faith, but does not necessarily reflect the considered views of Opti-Call, or indicate a commitment to a particular course of action. Opti-Call makes no representation or warranty about the accuracy, reliability, currency or completeness of any third party information.

Opti-Call is not liable for any loss resulting from any action taken or reliance made by you on any information or material posted on the website (including, without limitation, third party information). You obtain access to this website at your own risk and Opti-Call accepts no responsibility for any interference, loss, damage or disruption to your own computer system which arises in connection with your use of this website or any linked website. You must take your own precautions to ensure that the process which you employ to obtain access to this website does not expose you to the risk of viruses, malicious computer code or other forms of interference which may damage your own computer system.
